

**Note by Chair in relation to material redacted in the transcript and broadcast video**

I have ordered that part of an answer given by Detective Constable Ashley Tomlinson on 25 May 2022 at page 49, lines 5-6 of the transcript, should be redacted and edited from the broadcast video.

The part of the answer which has been redacted contains material which I am satisfied is operationally sensitive to policing by Police Scotland, was not intended to be elicited by the question and is not relevant to the terms of reference of the Inquiry.
