I have already provided PIRC with two statements earlier.

Today at 10.45 hours, Tuesday 16/6/15, I was contacted by Investigator John Ferguson and asked to confirm if at any time if I have noticed bruising on my chest or torso as a consequence of the assault upon me by Sheku Bayoh on 3/5/15.

I have not seen nor have I had photographs taken of any such injury or bruising to my chest area or torso.

I did have "pain" in my torso both front and back from my collar bone to my hip. I told my GP this at [REDACTED], and Dr Ian Anderson.
