Stephen Kay	I need ehh... some other [inaudible]	01:24
Steven Stewart	Right. Aye. How.. I mean...what's... how's the cop, is the cop alright?	01:27
Stephen Kay	The full shift off the street.	01:33
Steven Stewart	Are the full shift off the street?	01:34
Stephen Kay	[Inaudible]	01:36
Steven Stewart	Aye.	01:36
Stephen Kay	[Inaudible] And we'll get basic TRIM and a federation rep has come out.	01:38
Steven Stewart	Do you want to speak to the Fife Inspector? Alright I've got Kate Findlay from...ehh... media...ehh... she's on call at Fettes. She... in fact do you have a number and I'll get to phone you or something like that?	01:42
Stephen Kay	Yeah she can phone me on...	01:55
Steven Stewart	Oh she's...she apparently knows the number she can phone you on.	01:56
Stephen Kay	Perfect!	01:58
Steven Stewart	Alright. Okay but are they all off on ... I mean the job's very sketchy in terms of what happened. But I see the previous job that the woman's obviously phoned in saying that there's been some kind of disturbance or domestic. But, I mean I don't know the geography there but the guys must have been oot... is the station nearby? They were on that... they were on that so quickly. Emm... it was too quick actually. I don't know even if... if he's had...	01:59
Stephen Kay	No, what happened ehh... it came over and I just brought up the stay safe thing we've got on. I was on the phone and went upstairs and get my number. And they were on route and they got told "be safe" and we heard an ARV and the dog and that. And all of a sudden...	02:25

Steven Stewart	The emergency button goes.	02:39
Stephen Kay	I think we've stopped. He's basically... he's the size of a house.	02:41
Steven Stewart	Is he?	02:45
Stephen Kay	He just ran at them.	02:46
Steven Stewart	Oh dear. Aye.	02:46
Stephen Kay	Need a couple of cops who are [inaudible]. Generally speaking, if they were'nae there I dread to think what would have happened.	02:48
Steven Stewart	Yeah. And did he have knives on him type thing?	02:54
Stephen Kay	Aye, he ran at them with a knife.	02:57
Steven Stewart	Oh has he? See that's.. do you know... dear me! That would have been... for me that's a... that's an ARV job.. but it's just... you know but... and a dog job but you just... it's obviously the time. They've obviously come across him...	02:58
Stephen Kay	Dynamics wise there was nae time... he'd...he'd made their mind up for them.	03:11
Stevie Stewart	No. Yeah. Aye. And the thing is as well, when you've got someone going down the street wi a knife, you still have... my view is cops still have to go even if they park around... stop the car at the end of the street to say "I can see him. This is what's happening with him." But see when you look at the times... the time stamps, I suspect it's even happened quicker than the time stamps. But it's over in... it's over in 3 minutes or something like that almost fae the first call.	03:13
Stephen Kay	See to them getting there to making an initial assessment [inaudible]	03:37
Steven Stewart	That's it. It's done and dusted. The first...	03:43
Stephen Kay	He's basically just went for them eh.	03:46
Steven Stewart	Yeah. Yeah. [Inaudible].	03:47
Stephen Kay	I have'nae seen him but he's a decent size...	03:48
Steven Stewart	Yeah	03:49
Stephen Kay	[Inaudible]	03:50
Steven Stewart	Is he? Well hopefully, hopefully they're alright and he's alright type thing but. Right okay, we'll get that...ehh...view rated just now and Kate Findlay who's... she's media at Fettes. Her extension is [REDACTED]. She said she's going to phone you	03:51
Stephen Kay	Aye get Kate to phone me and have a think.	04:07
