States :

I am employed by Police Scotland as a Constable based at Kirkcaldy Police Office.

I have previously provided to the Police Investigations & Review Commissioner a statement in relation to the incident that occurred on Sunday 3 May 2015 when a male known as Sheku Bayoh died.

I have been today asked by William Little of the PIRC regarding something which was stated during the course of this statement which was taken from me by Maurice Rhodes from the PIRC on 4 June 2015.

**WITNESS STATEMENT**

In particular I have been asked about recalling that I had prior to the incident on 3 May 2015, received a briefing, that there may be an attack on a female police officer. I cannot recall who gave me that briefing, but it may have been given whilst I was on my probationary training at the Scottish Police College. I completed my probationary training at the college in April 2015 and I commenced at Kirkcaldy Police Office on 6 April 2015.

I can recall that when I was going through my training and when I started at Kirkcaldy Police Office I received a number of briefings on safety and threat levels, but the content of which and who provided the briefings I cannot recall.

This statement is a true and accurate record.
