RESTRICTED

1. CRIMINAL PROCEDURE (SCOTLAND) ACT 1995
Procedure under Section 13

To be used when a police officer has reasonable grounds for suspecting an offence is being/has been committed at any place, i.e. where he/she has some evidence or information from a credible witness.

Police officer must comply with the following:

- (a) read statements to suspect or potential witness;
- (b) record all details in notebook as soon as possible;
- (c) no suspect to be taken to police station to carry out procedure unless absolutely necessary.
