I am [REDACTED] and reside along at [REDACTED] Walter Rougvie address at Hayfield Road [REDACTED]. I am a [REDACTED].

Today (5/5/15) I have been visited by Investigator Maurice Rhodes and Deputy Senior Investigator Edward Miles of the Police Investigations and Review Commissioners office (PIRC), Hamilton, who have explained their role and the fact that they are investigating an incident that occurred on Hayfield Road, Kirkcaldy on the morning of Sunday 3 May 2015 at approximately quarter past seven in the morning, involving the police.

WITNESS STATEMENT

At that time I was asleep in bed when I was woken by the noise of shouting in the street. My house faces on to the junction of Hendry Road and Hayfield Road and my bedroom is at the front of the house, facing Hendry Road. At that time I could not tell where the raised voices were coming from.

There is a pub across the road from me, "Gallachers", so it is not unusual to hear shouting in the street in the early hours.

When I was awakened I remember looking round at the clock and seeing that it was quarter past seven. I did not get out of bed to look out of the window.

I remember hearing someone shout out "don't move". This was definitely a male voice. Seconds later I heard someone shout "lie still". Again this was a male voice but I cannot be sure whether or not it was the same male voice.

At that point, being used to shouting with the pub across the road, I just turned over and went back to sleep.

I have been asked if I heard a females voice at any time during these raised voices, but I did not. There were other phrases that I heard that contained curse words, but I am unable to state what was said.

At no time did I actually see anyone in the street as I did not look. I was unaware that any police officers were in the street. I have no CCTV.

This is a true and accurate account.
