My name is Alan Galloway and I reside at the address provided to the police with my wife Eleanor and my daughter [REDACTED]. We have lived here for almost 20 years. I have met with Detective Constables Mackintosh and McEwan to provide this statement regarding my neighbour Shek, who lives accross from me at [REDACTED] Arran Crescent.

Shek has lived there for a good 5 years if not longer. I'd say he's my neighbour and we chat to each other in passing. We don't socialise with each other but he does socialise now and then with my two daughters and their partners. I'd say Shek was a gentleman and very respectful. He would always acknowledge me and stop for a chat. There's never been any bother with Shek at all and he gets on with everyone in the street. I know Shek has a girlfriend called Collette and they have a [REDACTED]

son called [REDACTED] I believe he has another son but that's just been through chat over the last couple of days, I've never seen his other son. I don't know about Shek's parents or any siblings he may have had. I don't know if Collette lived with Shek, she was certainly here a lot, I don't know if she's got her own house.

My daughter's car had been damaged in the street overnight between Friday 1st and Saturday 2nd May, so I was sleeping fairly lightly on the Sunday night. Around about 0645 on Sunday 3rd May, my wife and I were still half asleep in our bedroom which looks directly out onto Arran Crescent. I heard a loud banging sound coming from out on the street, I heard it between 4-6 times about a second apart. It sounded to me like somebody banging something against a plastic wheelie bin. I got up out of bed and lifted the blinds, I looked out onto the street and immediately saw somebody in the street with a knife. They were standing on the opposite pavement from my house close to the gate into number [REDACTED], walking towards number [REDACTED]. My red Nissan pick-up truck was parked outside number [REDACTED].

1130hrs - statement ceased on instructions from DS Moore.
