I have been asked to provide an additional statement detailing why I asked for a CHS checks to be carried out on Mr Bayou.

formal identification of the accused I asked for checks to be carried out on Mr Bayou to establish any criminal history, images, identification marks or police makers listed on police systems. The reason for my check was to assist in identification of the person who had been involved in contact with police officers that morning and become unresponsive (now identified as Sheku Bayou). I only became aware of his details following the call to the police by Collete Bell expressing concern for her partner Sheku.

The checks were carried out in the enquiry office at Kirkcaldy Police Station by Lorraine Dewar who is employed in the Enquiry office as a clerical assistant.

I took no further part in this enquiry.
