I am currently a Detective Inspector based within the Pro-Active Investigations Unit, P Division, Glenrothes.

I have previously submitted an operational statement in respect of the death of Sheku Bayou in my capacity as the duty SIO on the day of the incident.

I have since been asked to provide an additional statement owing to a data audit that has been carried out by the PIRC which provides that on 3/5/15 I accessed the

[REDACTED] at 1638 and 1642hrs, same date during which time I have opened [REDACTED] which listed the details of Mohammed Zahid Saeed.

Owing to the circumstances and his link to Sheku Bayou on the day of the incident I can confirm that I accessed police systems in order to ascertain the correct nominal details and spelling of Saeed to enable me to accurately brief senior management and complete various documents including the minutes of an initial gold group meeting.

I can confirm that I did not use the details held on these records for any purpose other than to assist the investigation.

I took no further part in this enquiry.
