

Briefing note for Locally Elected Members

Following an incident on Hayfield Road Kirkcaldy yesterday morning (Sunday 3rd May 2015) resulting in the death of a 31 year old male and injury to a female officer. COPFS (Crown Office and Procurator Fiscal Service) have instructed the PIRC (Police Investigations and review Commissioner) to lead on the investigation.

The officer was released after treatment at the Victoria Hospital Kirkcaldy.

Following the events there will be a notable policing presence in the areas affected to provide community reassurance.

We would welcome your assistance in notifying us of any community tensions or concerns notified to you.

Although family are aware of the incident we are not releasing the details of the male involved at this time and support and information is being provided to the family.
