WITNESS STATEMENT

I would like to go back to when Alan was a teenager. My mum told me at the time that Alan had said he wanted to join the BNP and she had told him she would disown him if he did. Alan used to make racist remarks to the Asian family that lived around the corner when we lived in [REDACTED]. He was never violent towards them but he was quite vocal to them. If they passed by him he would make racist comments towards them. I don't know anything else about him joining the BNP.

WITNESS STATEMENT

Other than the BNP incident, I have no other specific examples of racism. However Alan frequent used racist remarks like "Black bastard". This was common. I witnessed this myself and other people told me this. It wasn't a secret that he had feelings like this, he was quite vocal about it. [REDACTED]
