States:

I am a uniformed Police Constable stationed at Levenmouth Police Station.

On Sunday 3rd May 2015, I was working a 0700 - 1600 hours tour of duty on uniformed mobile patrol within the Levenmouth area, accompanied by PC Fraser

About 1300 hours, same date, we were requested by the duty Sgt at Levenmouth to attend at [REDACTED] and put in place a locus protection. We were advised that there were no persons were within the property at the time.

On arrival at approx. 1305hrs, same date, we noted there were lights on within the kitchen. It was a dark afternoon due to inclement weather and this made me believe there may be persons within.

PC Fraser and I knocked at the back door and confirmed there were 5 persons within. 2 adult females, 2 young children and a disabled male, their details were added to the scene log. We thereafter immediately contacted Levenmouth CID and DC's Petrie and Miller attended at locus.

All persons within were removed by DC's Petrie and Miller.

PC Fraser and I took up positions at the front and rear of the property. At 1600hrs PC Adams attended and took over my position and I was stood down.

I took no further part in this enquiry.

I cannot identify the accused.
