I am a Detective Constable with the Police Service of Scotland, Fife Division, currently based at Levenmouth Police Station within the Criminal Investigation Department and have completed 15 years police service.

On Sunday 3rd May 2015, I was on duty in plain clothes working a 0700 to 1600 hours tour of duty. During the course of my shift I was made aware of the circumstances of an incident in Kirkcaldy and as a direct result the requirement to secure an address at **Saeed home address** in relation to this incident. DC Petrie and I thereafter attended to ensure that the property was vacated by the current occupants.

WITNESS STATEMENT

About 1340 hours, same date, DC Petrie and I arrived at Saeed home address, at that time PC's Fraser and Aitken were in attendance and there were [REDACTED] within. Details of them were noted by PC Aitken. A short time later another two [REDACTED] attended at the house. I noted their details as being Saeed Ahamed [REDACTED] who resides at [REDACTED] and [REDACTED] both had arrived to assist in the transporting of the occupants of Saeed home address.

We were thereafter contacted by DS Dursley and asked regarding a white vehicle being at that property and checked the driveway where we found a vehicle parked, this vehicle was a white Seat Toledo motorcar Reg. No [REDACTED] and was registered to a [REDACTED]

The occupants of the dwelling thereafter left the property and to afford them access to their parked motor vehicles the white Seat Toledo required to be moved so other vehicles could be moved.

At this time I moved the white Seat Toledo Motor car whilst wearing disposable gloves and with a brown bag on the drivers seat, once this vehicle was moved, I returned it to the same position as before and I seized

LABEL BROWN BAG

And

LABEL GLOVES

Which was the items that were used within the vehicle when it was being moved. Labels were attached to these items and signed.

We left the property and it was secured with PC Fraser and PC Aitken carrying out locus protection.

I took no further part in this enquiry.

I cannot identify the accused.
